BENVENUTI IN TOSCANA!

DAY ONE

Welcome to Tuscany! We will pick you up from Pisa airport, train station or hotel in the afternoon and take you to the beautiful villa where you can unpack and settle in for the week. The evening will start with a brief introduction while we sip sundowners and followed by an informal dinner "la famiglia" style!

DAY TWO

After a delicious breakfast we head off to truffle hunt – dogs and all! Following the morning's adventure, we will indulge in a delicious truffle inspired lunch. In the afternoon you can put your feet up, relax at the villa and soak up the last rays of sunshine at the pool before we head out to one of the area's oldest and most innovative wineries.

DAY THREE

The food escapades continue after breakfast as we set out to the beautiful medieval town of Certaldo for a cooking class with Giuseppina and a tasting of their family wines. In the evening our in-house Pizzaiolo, Cristian will serve up delicious pizzas in the villa's woodfired oven.

DAY FOUR

Let your mind wander off to the Middle Ages, breathe in and smell the countryside of Tuscany and imagine being a pilgrim on the Via Francigena as we walk the stretch between Gambassi and San Gimignano. Lunch awaits under the trees where you can relax and enjoy some cold wine and prosecco. In the afternoon you can rest, book a massage or explore the garden before we head out for a surprise dinner.

DAY FIVE

This morning we walk past Pinocchio's movie set to a former ghost town, which has been beautifully restored and boasts a Michelin star restaurant, an art gallery, coffee shop and hotel. Back at the villa a scrumptious brunch awaits.

You are free to relax at the villa this afternoon and enjoy the beautiful surroundings before we head off to San Gimignano, one of the best preserved of the medieval towns. Grab your wallet for some seriously good shopping here! We get together for dinner at the sister restaurant of Cum Quibus, a one Michelin Star Restaurant.

DAY SIX

After yoga and a light breakfast overlooking the rolling hills of Tuscany, we will make our way to a local Co-op to shop for fresh produce. We'll then head off to have a snack and a drink with the locals in the town square. The rest of the afternoon is spent preparing for some interactive cooking with Chef Liezie, where we will cook up a storm and enjoy real Tuscan style dinner together.

DAY SEVEN

One last splurge for breakfast to celebrate and share a few more laughs and stories. Mid-morning we will transport you back to Pisa airport, train station or your hotel (approximately 1 hour's drive) and send you home with extraordinary experiences and memories that will last forever!
